When all is said and done...

...what you did is more important than what you said. Millsaps has adhered to that philosophy for more than 100 years-quietly maintaining a standard of excellence that other schools can only hope to achieve.

With this in mind, we decided to make the 1993 *Bobashela* a book of pictures rather than the standard yearbook. The reasoning behind this was that old cliché-"A picture is worth a thousand words."

If you took a picture and showed it to 20 people, you would get 20 different responses, ranging from anger to laughter to ambivalence. So, we decided to let you, the Millsaps family, fill in the blanks with personal dialogue. Instead of captions and copy concerning the events that took place, we decided to just include pictures and explanatory headlines and let these bring back memories.

Well, here it goes. MILLSAPS-"THE YEAR IN PICTURES."

ACKNOWLEDGEMENTS

Well, it is finally finished. I never thought I would ever do a yearbook in a week and a half at a school that I never attended. But, never say never. It has truly been an experience I will never forget. Thanks to my unique assistant Maureen for supplying the music, the aspirin, and the smell of cigarettes in the morning. She was great at doing all the menial tasks I convinced her were her responsibilities. HAHAHA!

There are others who contributed to the yearbook or to our "healthy" state of mind.

Thank You's go to :

Dean Sneed-for giving us the job!

Martha Lee for everything!

Cheryl Wilburn for pictures, tape, and making us laugh!

Andrew "May I call you Patrick" Libby for not spitting on us when we stole his computer!!!

Marci Songcharoen for her helpfulness and great smile!

Davis Frye for being so knowledgeable.

Christina Finzel for her helpfulness

The grand and wonderful staff of the Public Relations Dept.

Ivan Zamora for being the best RA.

Albert Mosley for being (to me) the only familiar face on campus.

Special thanks to Todd Thrash for making all this possible!!!

P.S. We're sorry for the lack of captions and missing pictures, but we did the best that we could with what we had. We hope you like it!
